

## Vet Externship At "Hachaklait"

Please read these instructions carefully. Sign and return with application.

### Application Process:

1. All applications must be submitted minimum 3 months prior to requested dates.
2. Please submit: complete **application form + photo+ CV+ copy of Vet. License** via mail to: [hr@hachaklait.co.il](mailto:hr@hachaklait.co.il) (make sure your CV includes previous work places and kinds of animals treated )
3. Approval / Denial of externship will be notified via email.

### In case of approval:

1. Payment authorization form will be sent to you- please fill in and return.
2. Contact details of vet assigned will be sent following receipt of payment form.
3. A copy of Health\Accident insurance should be sent to our offices. Externship cannot start without proper insurance for the approved dates.
4. Vet's routine starts in the early hours of the morning (5-6 AM), and includes visits to several farms each day. Make sure your choice of residence is as close to the vet's as possible.
5. Vets are responsible for accommodation, transport (to and from meeting point with Hachaklait Vet) & expenses.
6. Vets are instructed to have no contact with large farm animal 7 days prior to arrival.
7. You will receive a list of infective diseases. A declaration confirming no contact with listed diseases should be signed and returned to the office one week before start of externship.
8. Vets will accompany the assigned Veterinarian during his\her work day and will follow safety procedures and instructions.
9. Prior to arrival, please make sure that you inform the office what contact number you will be using during your visit, for any needed communication in Israel during your stay.
10. Please contact the vet at least one week prior to start of externship for introduction and instructions as to the time and place of meeting in the morning.
11. Please inform the office that contact has been established.
12. Please note that most vets reside in the country, make sure you check the distance between your accommodations and the vet's residence to make sure you arrive on time. You might consider renting a car while you are here.
13. The vet's schedule is preset and quite intensive; make sure you arrive to the meeting point on time! The vet will not delay his workday waiting for late arrivals.
14. Make sure your Rabies vaccination is valid! If Rabies vaccination is needed and you were not able to take it prior to arrival please inform the office so we can schedule an appointment for you in Israel.
15. Your card will be charged only at the end of externship according to actual days in the field.

### Externship Fee:

1. One extern per vehicle per day – 90 USD
2. One extern per vehicle per day- for a period of 7 days or longer- 80 USD.

### Conclusion

1. At the end of last day of externship please make sure to email us to notify conclusion + number of days.
2. Please fill in and sign conclusion form that will be sent to you- return within one week.

### Following the externship period:

Please be advised that you will be requested to sign a waiver stating you are aware that any cooperation or professional contact with our vets regarding any and all professional issues or management of the Hachaklait should be made through our office and with authorization of the chief Veterinarian.
